LB 380A

are still with us from Senator Warner's district 29 first through third graders at Norris Elementary School from Firth, Nebraska, two teachers, two parents, Sandy Phifer teacher in the south balcony. Would they stand and be recognized. Welcome to your Legislature. Now proceed Mr. Clerk with LB 380A.

CLERK: Read LB 380A.

PRESIDENT: Senator Reutzel, the Chair recognizes you.

SENATOR REUTZEL: Mr. President, members of the body I move for the advancement of 380A. It is a new revised fiscal impact from what the original proposition was. I would move for the advancement at this time.

PRESIDENT: Senator Haberman is your light on for the purpose of discussing LB 380? Senator Haberman?

SENATOR HABERMAN: Thank you Mr. Speaker. May I ask Senator Reutzel a question?

PRESIDENT: Senator Reutzel, will you respond?

SENATOR REUTZEL: Certainly.

SENATOR HABERMAN: Senator Reutzel what is the total figure on this A bill?

SENATOR REUTZEL: \$110,000.

SENATOR HABERMAN: Senator Reutzel you are, would you please give me some sort of an explanation as to what...if this is such a good idea that the state should spend \$110,000 to get into the recycling business, why private enterprize couldn't do the same thing other than what you are talking about, cheap labor?

SENATOR REUTZEL: Senator Haberman, I'll go through the A bill very quickly. If that is what you want.

SENATOR HABERMAN: I can't hear you.

SENATOR REUTZEL: I certainly...I will go through the A bill very quickly if that is what you want. I certainly don't want to deviate from anything other than that.

SENATOR HABERMAN: No, no, I just....I am still disturbed and upset that we have to spend this amount of money for a project
